Cultural Gallery Walk Virtual Edition

Before You Watch the Videos:

You are about to watch 5 videos about the family culture of your classmates. Before you do, answer these questions.

1. Predict - Do you think most of the students will be similar or different from your family's culture? Explain why!

While You Watch the Videos:

When picking the videos, try to mix in a few students who you don't know! It's a great way to learn about your classmates.
