## 2. Circle the two religions that you think have the highest percentage of followers older than 65:

Buddhist      Catholic      Evangelical Protestant      Hindu      Historically Black Protestant      Jewish  
Jehovah's Witness      Mainline Protestant      Mormon      Muslim      Orthodox Christians      Unaffiliated

## 3. Circle the two religions that you think have the highest percentage of followers ages 18-29:

Buddhist      Catholic      Evangelical Protestant      Hindu      Historically Black Protestant      Jewish  
Jehovah's Witness      Mainline Protestant      Mormon      Muslim      Orthodox Christians      Unaffiliated

## 4. Circle the top answer for Americans asked how often they attend religious services?

At least once a week

A few times a year

Seldom/never

## 5. Circle the religion that attends services the most. Put stars surrounding the one that attends the least (besides unaffiliated).

Buddhist      Catholic      Evangelical Protestant      Hindu      Historically Black Protestant      Jewish  
Jehovah's Witness      Mainline Protestant      Mormon      Muslim      Orthodox Christians      Unaffiliated

## 5. Circle the religion has the highest percentage of Republicans. Put stars surrounding the one with the highest percentage of Democrats.

Buddhist      Catholic      Evangelical Protestant      Hindu      Historically Black Protestant      Jewish  
Jehovah's Witness      Mainline Protestant      Mormon      Muslim      Orthodox Christians      Unaffiliated

## 6. After going over the real answers, write a 5+ sentence reflection on the next page. What surprised you or disrupted some of your assumptions? What confirmed what you already knew? Go into detail!
